

Change in Halemeier management

Eckhard Halemeier hands over reins to Steffen Rumler

As part of successor arrangements, Eckhard Halemeier will be leaving the management of Halemeier GmbH & Co. KG on 31 January 2012. The sole managing director will then be Steffen Rumler.

Eckhard Halemeier founded the Halemeier company in 1996, being regarded as an innovator in the lighting industry. At the Melle-Neuenkirchen facility, some 80 members of staff develop and produce high-quality lights for the furniture industry and other segments. Innovations and developments are driven forward by the team that has evolved over many years.

Sven Lubahn, responsible for the innovation, had become therefore "Prokurist" (authorised signatory).

Steffen Rumler, who today shares the helm with Eckhard Halemeier, will be sole managing director from 1 February 2012. "Prokurist" (authorised signatory) Ralf Köhne will be in charge of sales.

In a ceremony, Managing Director Dr. Andreas Hettich, the management and staff thanked Eckhard Halemeier for his pioneering work while wishing him every good fortune for the future.
